

REMARKS

The present amendment is being made to correct inadvertent typographical errors to claims 26 and 31 that were made in the response filed September 28, 2010. In particular, claim 26, at page 3, line 20 of the previous response, is amended to replace "the method" "The method". Claim 31, at page 6, line 16 of the previous response, is amended to replace "represent" with "represented". Lastly, claim 31, at page 8, lines 8-9 of the previous response, is amended to add an "or" before "a linear or branched C₂₋₁₀ alkynyl group". These are obvious typographical errors. Support for the revisions can be found throughout the original disclosure and claims. No new matter has been added. Please enter and consider this supplemental amendment.

If the Examiner has any comments or proposals for expediting prosecution, please contact the undersigned attorney at the telephone number below.
